

The Six Rs

Rethink · Refuse · Reduce · Reuse · Repair · Recycle, with the Rummage Crew

R RETHINK

Think again

What else could it be? A jar can hold pencils.

Aria: "What else could it be?"

R REFUSE

Say no thanks

Do we really need it? Skip the straw and the freebies.

Penny: "Do we need it?"

R REDUCE

Use less

Borrow it, share it, turn it off.

Leo: "Lights off, tap off!"

R REUSE

Use it again

Hand it down, swap it, give it away.

Zoey: "Pack a giving box!"

R REPAIR

Fix it

Sew the seam, tape the page, oil the wheel.

Koru: "Can we fix it? Yes!"

R RECYCLE

Make it new

Rinse it, sort it, lid on tight.

Marcus: "Check the list!"

Try them in order: What else could it be? Do we need it? Can we use less? Can we use it again? Can we fix it? Only then: which bin?
